B. A. SETLUR,
President.

Draft rules framed under Section 45 (1) (*a*) read with section 27 of the Mysore Town Municipalities Act for regulating the conduct of business and delegation of any of the powers or duties and the appointment and constitution of committees of a Municipal Council.

1. Business to be conducted if a quorum be present at the hour fixed for the meeting.—At the hour fixed for a meeting of the Council if a quorum be present, the business of the meeting may at once commence and, if neither the President nor the Vice-President be present, the Councillors present may proceed to choose a Chairman under sub-section (5) of Section 27. If the President or the Vice-President arrives after a presiding Councillor has been chosen by the Councillors the presiding Councillor shall leave the chair, and the President or Vice-President, shall preside.

2. Absence of quorum during a meeting.—If during a meeting the presiding authority notices that a quorum is not present, or any Councillor calls the attention of the presiding authority to the fact that a quorum is not present, the presiding authority shall immediately suspend the business of the meeting and shall count the number of councillors present, and if that number is insufficient to form a quorum, the presiding authority shall follow the procedure laid down in sub-section (7) of Section 27.

3. Confirmation of minutes of previous meeting.—At the commencement of proceedings of each ordinary general meeting, the minutes of the previous general meeting shall be read. If any Councillor present objects to the minutes as having been incorrectly or incompletely recorded, the presiding authority shall, after taking the sense of the meeting make such amendments as he thinks proper and the amended minutes shall then be confirmed and signed by the presiding authority.

4. (*a*) Order to be observed.—A Councillor wishing to speak must rise in his place. The Councillor who first rises to speak has the right to be heard. In cases of doubt the presiding authority shall decide who is entitled to speak. No interruption to the speech of a Councillor shall be permitted, except that the presiding authority may call the Councillor to order, and any other Councillor may rise and request the presiding authority to call the speaker to order, or request the presiding authority to notice that a quorum is not present.

(*b*) Procedure for putting questions.—All questions from one Councillor to another relating to the business of the meeting shall be put through the presiding authority.

5. (*a*) Order.—The presiding authority shall preserve order and all points of order shall be summarily decided by him, no discussion thereon being allowed, unless he shall think fit to take the opinion of the Councillors present. The presiding authority may adjourn any meeting that refuses to obey his ruling on a point of order.

(*b*) Councillor called to order to resume his seat.—A Councillor called to order by the presiding authority shall resume his seat till the decision of the point of order raised, provided that the presiding authority may allow the member to speak on the point of order raised. 6. Grouping of items of business.—If more than one meeting be held the same day, it shall be competent to the presiding authority with the consent of the majority of the Councillors present, to submit for consideration as one subject, for disposal by one meeting any two or more items of business relating to the same subject although some of such items shall appear on the agenda papers of another and distinct meeting to be held on the same day.

7. A Proposition may be divided.—The presiding authority shall have powers to divide into two or more distinct propositions, any proposition or amendment which in his opinion is so complicated as to be likely to lead to confusion or inconvenience by being debated on as one proposition.

A Proposition when divided need not be moved and seconded more than once.—But when by virtue of this rule a proposition or amendment is divided, it shall not be necessary, unless the presiding authority decides to the contrary, for the second and following portions of such proposition or amendment to be again separately moved and seconded. But the propositions so divided shall be put to the vote by the presiding authority one after the other.

Except as provided above, every proposition and every amendment must be in writing and must be seconded.

Resolutions of Committees to be moved and seconed by members.—When a resolution of a Committee is submitted to the general meeting for adoption, its adoption should ordinarily be moved and seconded by members o the Committee.

OFFICE OF THE PRESIDENT, TOWN MUNICIPAL COUNCIL, BIRUR.

Notification dated 20th April 1953.
As per Resolution, dated .....

(*See* Clause (*b*) of Section 62).

Notice is hereby given to the inhabitants of the Municipality of Birur that the Municipal Council desires to impose Octroi defined in the rules appended in lieu of the octroi now being levied as per G. O. No. L. 3507-8—Ml. 66-31-45, dated 10th November 1931.

Any inhabitant of the Municipality objecting to the proposed tax may, within one month from the date of this notice, send his objections in writing to the Municipal Council.

Draft Octroi Rules framed by the Birur Town Municipal Council on the lines of the Model rules issued by Government with Notification No. L. 14388—Ml. 152-52-19, dated 24th November 1952 :—

1. Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each.

2. The octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in charge of the Octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits, the Mutsaddi in charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer, for the settlement of the duty to be paid.

3. When the goods have been examined at the Octroi Ookads, a Pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Bonded Warehouse accompanied by a peon ; provided that, if the duty to which the goods are liable does not exceed five rupees the Octroi Mutsaddi may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received ; provided also that in the case of goods imported by railway, the Inspector or other officer in charge of the octroi post at the Railway Station may, in the same manner, receive duty not exceeding five rupees.

4. When goods accompanied by a pass as aforesaid are brought to the Bonded Warehouse, they may be unloaded and weighed or counted by the officer in charge of the Bonded Warehouse. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Bonded Warehouse. When the duty is paid as above, a permit shall be granted by the officer in charge of the Bonded Warehouse for the removal of the goods showing the quantity or weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5. With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer in charge of the Bonded Warehouse. Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice, he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the articles, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer in charge of the Bonded Warehouse be false or unduly low, the value of the goods shall be assessed by the officer in charge of the Bonded Warehouse at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice, the value shall include all expenses such as packing charges, freight charges, cart-hire, etc., *less* trade discount shown in the invoice.

6. With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the Municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Bonded Warehouse provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid :

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Bonded Warehouse.

Every deposit holder under this bye-law shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.

Deposit Room (Bonded Warehouse).

7. The Municipal Council shall provide a bonded warehouse for the custody of goods which may be deposited under Rule 3 of the Octroi Rules.

8. The Bonded Warehouse shall be open for the transaction of business from 11 A.M. to 5 P.M. daily except on Sundays and Holidays authorised by the President. Arrangements shall, however, be made by the officer in charge of the Bonded Warehouse for dealing with perishable articles, such as betel leaves on such days.

9. Any importer depositing goods in the Bonded Warehouse shall, unless the officer in charge of the Bonded warehouse has previously by weighing, counting or appraising ascertained the amount of octroi payable thereon, give a declaration in the form appended (Schedule No. 2) of the description, weight, quantity and, if necessary, of the value of the goods.

10. A receipt in the form appended (Schedule No. 3) shall be given for goods deposited in the Bonded Warehouse and a Register of all such goods shall be maintained by the officer in charge of the Bonded Warehouse.

11. The receipt given by the Octroi Department for depositing the goods should be returned before taking delivery of the articles to which it refers, otherwise the officer in charge of the Bonded Warehouse may refuse to deliver the articles.

12. If the depositor does not himself take delivery of the articles deposited in the Bonded Warehouse, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and if the receipt is not produced the delivery of the goods may at the discretion of the officer in charge of the Bonded Warehouse be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the officer in charge of the Bonded Warehouse.

13. Any person who has deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer in charge of the Warehouse, or may, on paying full duty thereon, import such goods into the Municipal limits covered by a permit or may export such goods immediately after the receipt into the Bonded Warehouse free covered by an export pass subject to the escort of an octroi subordinate; provided that new packages covered by such pass shall, if possible, before they are taken from the Warehouse, be stamped by the officer in charge, so as to show that they are under deposit.

The export pass shall be in triplicate, the original being retained by the officer in charge of the warehouse, and the duplicate and triplicate delivered to the exporter.

14. Goods should be allowed to remain in the Bonded Warehouse free of charge. Perishable goods shall not be allowed to be stored in the Bonded Warehouse for longer than 48 hours.

172

15. The President may permit any wholesale dealer to occupy a room in the Bonded Warehouse for the storing of dutiable articles intended for sale to retail dealers in the Municipality and may make such rules regarding the occupation of such rooms as may from time to time be found necessary.

16. When goods stored by the wholesale dealer in the Bonded Warehouse under the above rule are issued on payment of duty, such allowance may be made on the original weight on account of reduction of weight owing to driage or wastage as may from time to time be fixed by the President.

17. All perishable commodities remaining uncleared or unclaimed after 48 hours shall be sold by public auction to the highest bidder at the Warehouse. All other goods remaining uncleared or unclaimed for a longer period than three months shall be sold in like manner; provided that, before selling such goods notice of that fact shall be posted for seven days at the Bonded Warehouse and at the Municipal Office.

18. When any goods are sold under Rule 17 of the Octroi Rules, the sale proceeds shall be credited to the Municipal Funds, in payment of duty due in respect thereof, provided that if the amount realised by the sale exceeds the amount so due, the balance shall be kept in deposit for one year and any claims for such balance received during that time shall be duly considered by the President. At the expiry of one year, or after all claims received during that period have been duly disposed off, the balance shall be credited to the Municipal Funds; No claims shall be admitted after the said period of one year, except by special permission of the Council.

19. The Municipal Council shall not be responsible for any damage that may be caused to goods deposited in the deposit room while such goods are being passed into or out of the deposit room or while they remain therein unless such damage is provided to have been caused by the wilful neglect of the deposit room keeper or other person charged with the safe custody of the goods.

20. Any person may, with the sanction of the President be permitted to use any place as of Bonded Warehouse on payment of the cost of such establishment and subject to such conditions as may, in each case, be fixed by the President.

21. Article subject to octroi duty shall under no circumstances be exempted from payment of the duty.

22. A receipt in the prescribed form shall be given for payments made.

Any inhabitant of the Municipality objecting to the proposed tax may, within one month from the date of this notice, send his objections in writing to the Municipal Council.

Draft Octroi Rules framed by the Birur Town Municipal Council on the lines of the Model rules issued by Government with Notification No. L. 14388—Ml. 152-52-19, dated 24th November 1952 :—

1. Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each.

2. The octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in charge of the Octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits, the Mutsaddi in charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer, for the settlement of the duty to be paid.

3. When the goods have been examined at the Octroi Ookads, a Pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Bonded Warehouse accompanied by a peon ; provided that, if the duty to which the goods are liable does not exceed five rupees the Octroi Mutsaddi may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received ; provided also that in the case of goods imported by railway, the Inspector or other officer in charge of the octroi post at the Railway Station may, in the same manner, receive duty not exceeding five rupees.

4. When goods accompanied by a pass as aforesaid are brought to the Bonded Warehouse, they may be unloaded and weighed or counted by the officer in charge of the Bonded Warehouse. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Bonded Warehouse. When the duty is paid as above, a permit shall be granted by the officer in charge of the Bonded Warehouse for the removal of the goods showing the quantity or weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5. With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer in charge of the Bonded Warehouse. Whenever the invoice produced by an importer is in a language other than English or Kannada,

he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice, he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the articles, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer in charge of the Bonded Warehouse be false or unduly low, the value of the goods shall be assessed by the officer in charge of the Bonded Warehouse at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice, the value shall include all expenses such as packing charges, freight charges, cart-hire, etc., *less* trade discount shown in the invoice.

6. With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the Municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Bonded Warehouse provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid:

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Bonded Warehouse.

Every deposit holder under this bye-law shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.

16. When goods stored by the wholesale dealer in the Bonded Warehouse under the above rule are issued on payment of duty, such allowance may be made on the original weight on account of reduction of weight owing to driage or wastage as may from time to time be fixed by the President.

The presiding authority, unless he refrains from voting, should give his vote before declaring the number of votes for and against a question and then in case of any equality of votes he should give his casting vote.

22 No member obliged to vote.—A councillor who is present at a meeting may refrain from voting. If the question before the meeting be the confirmation of a report or proceedings of a committee, the member of that committee, may vote. If the conduct of a councillor be in question, that councillor may vote.

Octroi Rules.

Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each.

2 The octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in-charge of the octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits the Mutsaddi in-charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer for the settlement of the duty to be paid.

3 When the goods have been examined at the octroi Ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon: provided that, if the duty to which the goods are liable does not exceed five rupees the Octroi Mutsaddi, may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received: provided also that in the case of goods imported by railway, the Inspector or other officer-in-charge of the octroi post at the Railway Station may, in the same manner, receive duty not exceeding five rupees.

4 When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the officer-in-charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the officer-in-charge of the Central Octroi Office for the removal of the goods showing the quantity of weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5 With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the Central Octroi Office. Whenever the invoice produced by an importer is in a language other than English or Kannada he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer-in-charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the officer-in-charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice the value shall include all expenses such as packing charges, freight charges, cart-hire, etc., less trade discount shown in the invoice.

6 With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the Municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed, by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Central Octroi Office provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid:

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office.

Every deposit holder under this bye-law shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.

Deposit Room—Central Octroi Office (Bonded Warehouse).

7 The Municipal Council shall provide a Bonded Warehouse in the Central Octroi Office for the custody of goods which may be deposited under Rule 3 of the Octroi Rules.

8 The Bonded Warehouse shall be open for the transaction of business from 11 A.M. to 5 P.M. daily except on Sundays and holidays authorised by the President. Arrangements shall, however, be made by the officer-in-charge of the Octroi Office for dealing with perishable articles such as betel leaves on such days.

9. Any importer depositing goods in the Bonded Warehouse shall, unless the officer-in-charge of the Octroi Office has previously by weighing, counting or appraising, ascertained the amount of octroi payable thereon, give a declaration in the form appended (Schedule No. 2) of the description, weight, quantity and if necessary of the value of the goods.

10 A receipt in the form appended (Schedule No. 3) shall be given by the officer-in-charge of the Central Octroi Office for all the goods deposited in the Bonded Warehouse and a Register of all such goods shall be maintained.

11 The receipt given by the Octroi Department for depositing the goods should be returned before taking delivery of the articles to which it refers, otherwise the officer-in-charge of the Central Octroi Office may refuse to deliver the articles.

12 If the depositor does not himself take delivery of the article deposited in the Octroi Office, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and if the receipt is not produced the delivery of the goods may, at the discretion of the officer-in-charge of the Octroi Office, be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the officer-in-charge of the Octroi Office.

13 Any person who has deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer-in-charge of the warehouse or may, on paying full duty thereon, import such goods into the Municipal limits covered by a permit or may export such goods immediately after the receipt into the Octroi Office fee covered by an Export Pass subject to the escort of an Octroi subordinate, provided that new packages covered by such pass shall, if possible, before they are taken from the Warehouse, be stamped by the officer-in-charge, so as to show that they are under deposit.

The export pass shall be in triplicate, the original being retained by the officer-in-charge of the Warehouse, and the duplicate and triplicate delivered to the exporter.

15. Amendments may be sent to the President beforehand in writing.—A councillor who intends to propose an amendment to a proposition is at liberty to send or deliver at any time beforehand to the President or the presiding authority, his proposed amendment in writing.

16 Each amendment to be decided before the next is entered upon.—Each amendment must be decided before the next amendment is entered upon, but after any amendment has been proposed and seconded, any councillor may move that the amendment be amended by the omission, insertion or addition of certain words, and the presiding authority shall thereupon ask if any other councillor second the proposal and if seconded, the proposal to amend the amendment shall then become the question before the meeting.

17 No amendment to words already resolved be made.—No amendment may be made to words which it has already been resolved shall stand part of, or to be added to, the original proposition or amendment except by addition of other words.

If any councillor challenges the correctness of the numbers thus declared, the hands shall be counted a second time, provided that if any two councillors request a poll, the presiding authority shall call the roll of the councillors and record on the minutes of the meeting the names of the councillors voting for and against.

The presiding authority, unless he refrains from voting, should give his vote before declaring the number of votes for and against a question and then in case of any equality of votes he should give his casting vote.

22 No member obliged to vote.—A councillor who is present at a meeting may refrain from voting. If the question before the meeting be the confirmation of a report or proceedings of a committee, the member of that committee, may vote. If the conduct of a councillor be in question, that councillor may vote.

23 Result of equality of votes.—When there is an equality of votes and the presiding authority refrains from giving his casting vote, the proposition shall be held to be neither passed nor rejected and may be brought forward at any subsequent meeting.

24 Budget discussion.—When a budget or re-appropriation statement is laid down before a general meeting, the procedure shall be as follows:—

any mover or seconder put to the meeting the question "that this item stands part of the budget or re-appropriation statement."

Octroi Rules.

Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each.

2 The octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in-charge of the octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits the Mutsaddi in-charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer for the settlement of the duty to be paid.

3 When the goods have been examined at the octroi Ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon : provided that, if the duty to which the goods are liable does not exceed five rupees the Octroi Mutsaddi, may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received : provided also that in the case of goods imported by railway, the Inspector or other officer-in-charge of the octroi post at the Railway Station may, in the same manner, receive duty not exceeding five rupees.

4 When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the officer-in-charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the officer-in-charge of the Central Octroi Office for the removal of the goods showing the quantity of weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5 With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the Central Octroi Office. Whenever the invoice produced by an importer is in a language other than English or Kannada he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer-in-charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the officer-in-charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice the value shall include all expenses such as packing charges, freight charges, cart-hire, etc., less trade discount shown in the invoice.

6 With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the Municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 750 as may be fixed, by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Central Octroi Office provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid :

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office.

Every deposit holder under this bye-law shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.

Arrangements shall, however, be made by the officer-in-charge of the Octroi Office for dealing with perishable articles such as betel leaves on such days.

10 A receipt in the form appended (Schedule No. 3) shall be given by the officer-in-charge of the Central Octroi Office for all the goods deposited in the Bonded Warehouse and a Register of all such goods shall be maintained.

12 If the depositor does not himself take delivery of the article deposited in the Octroi Office, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and if the receipt is not produced, the delivery of the goods may, at the discretion of the officer-in-charge of the Octroi Office, be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the officer-in-charge of the Octroi Office.

13 Any person who has deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer-in-charge of the warehouse or may, on paying full duty thereon, import such goods into the Municipal limits covered by a permit or may export such goods immediately after the receipt into the Octroi Office fee covered by an Export Pass subject to the escort of an Octroi subordinate, provided that new packages covered by such pass shall, if possible, before they are taken from the Warehouse, be stamped by the officer-in-charge, so as to show that they are under deposit.

The export pass shall be in triplicate, the original being retained by the officer-in-charge of the Warehouse, and the duplicate and triplicate delivered to the exporter.

Rules framed under Section 46 (1) (h) of the Mysore Town Municipalities Act of 1951 (Mysore Act XXII of 1951) for levy of octroi in Nanjangud Town by the Town Municipal Council, Nanjangud.

1. Octroi shall be levied in respect of animals or goods or both specified in the Schedule I to these rules at the rates noted against each article.

The importer should make a declaration under Rule 101 of Municipal Accounts Manual as to whether articles are for local consumption or for re-export, at the first octroi Ookad.

2. The Octroi shall be paid at the time of import of the animals or the goods to the Octroi Muthsaddi in charge of the Octroi Ookad provided duty amounts to Re. 0-8-0, and octroi exceeding Re. 0-8-0 shall be paid at the Octroi Head Office. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits the Muthsaddi in charge of the Ookad shall cause the importer to take the goods before the President or the Executive Officer or Vice-President or Octroi Manegar for the settlement of the duty to be paid.

3. When the goods have been examined at the Octroi Ookads, a pass in duplicate for such of the goods as are liable to Octroi duty shall be furnished to the importer by the Octroi Muthsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon; provided that, if the duty to which the goods are liable does not exceed Re. 0-8-0 the Octroi Muthsaddi in charge of Ookad may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received; provided also that in the case of goods imported by railway, the paigasthi or other officer-in-charge of the Octroi post at the Railway Station may, in the same manner, receive duty not exceeding Re. 0-8-0.

4. When goods accompanied by a pass as aforesaid are brought to the Octroi Head Office, they may be unloaded and weighed or counted by the officer in charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the officer in charge of the Head Office for the removal of the goods showing the quantity or weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the Octroi Ookad from which it was received. In case the importer wishes to export the goods at once, he shall do so only after obtaining a free export pass subject to the goods to the escort of an octroi subordinate.

5. With a view to facilitating the appraisement of the value of the goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer in charge of the Octroi Head Office. Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice, he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the articles, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer in charge of the Octroi Head Office to be false or unduly low, the value of the goods shall be assessed by the officer in charge of the Octroi Head Office at current rates and octroi levied accordingly.

Explanation.—(*a*) When the appraisement of the value of goods is made on the basis of the invoice, the value shall

include all expenses, such as packing charges, freight charges cart hire, etc., less trade discount shown in the invoice.

(*b*) when the importer produces an invoice or a declaration which is found to be false, he shall on conviction before a Magistrate be punishable with a fine which may extend to ten times the value of octroi on such goods or Rs. 100 which ever may be greater.

6. With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the Municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed up by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Octroi Head Office provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid:

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Octroi Head Office.

13. Octroi Rules.

Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each.

2 The octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in-charge of the octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits the Mutsaddi in-charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer for the settlement of the duty to be paid.

3 When the goods have been examined at the octroi Ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon : provided that, if the duty to which the goods are liable does not exceed five rupees the Octroi Mutsaddi, may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received : provided also that in the case of goods imported by railway, the Inspector or other officer-in-charge of the octroi post at the Railway Station may, in the same manner, receive duty not exceeding five rupees.

4 When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the officer-in-charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the officer-in-charge of the Central Octroi Office for the removal of the goods showing the quantity of weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5 With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the Central Octroi Office. Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer-in-charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the officer-in-charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice the value shall include all expenses such as packing charges, freight charges, cart-hire, etc., less trade discount shown in the invoice.

6 With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the Municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 50 as may be fixed, by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Central Octroi Office provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid ;

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office.

Every deposit holder under this bye-law shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.

Deposit Room—Central Octroi Office (Bonded Warehouse).

7 The Municipal Council shall provide a Bonded Warehouse in the Central Octroi Office for the custody of goods which may be deposited under Rule 3 of the Octroi Rules.

8 The Bonded Warehouse shall be open for the transaction of business from 11 A.M. to 5 P.M. daily except on Sundays and holidays authorised by the President. Arrangements shall, however, be made by the officer-in-charge of the Octroi Office for dealing with perishable articles such as betel leaves on such days.

9. Any importer depositing goods in the Bonded Warehouse shall, unless the officer-in-charge of the Octroi Office has previously by weighing, counting or appraising, ascertained the amount of octroi payable thereon, give a declaration in the form appended (Schedule No. 2) of the description, weight, quantity and if necessary of the value of the goods.

10 A receipt in the form appended (Schedule No. 3) shall be given by the officer-in-charge of the Central Octroi Office for all the goods deposited in the Bonded Warehouse and a Register of all such goods shall be maintained.

11 The receipt given by the Octroi Department for depositing the goods should be returned before taking delivery of the articles to which it refers, otherwise the officer-in-charge of the Central Octroi Office may refuse to deliver the articles.

12 If the depositor does not himself take delivery of the article deposited in the Octroi Office, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and if the receipt is not produced the delivery of the goods may, at the discretion of the officer-in-charge of the Octroi Office, be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the officer-in-charge of the Octroi Office.

13 Any person who has deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer-in-charge of the warehouse or may, on paying full duty thereon, import such goods into the Municipal limits covered by a permit or may export such goods immediately after the receipt into the Octroi Office fee covered by an Export Pass subject to the escort of an Octroi subordinate, provided that new packages covered by such pass shall, if possible, before they are taken from the Warehouse, be stamped by the officer-in-charge, so as to show that they are under deposit.

The export pass shall be in triplicate, the original being retained by the officer-in-charge of the Warehouse, and the duplicate and triplicate delivered to the exporter.

Notification dated 11th August 1953.

Notice is hereby given to the inhabitants of Kolar Town that the Municipal Council desires to impose Octroi under section 61 (b) (iv) of the Mysore Town Municipalities Act, 1951, as defined in the rules appended. Any inhabitant of the Municipality objecting to the proposed tax may, within one month from the date of this notice, send his objections in writing to the Municipal Council.

RULES.

Octroi shall be levied in respect of animals or goods or both specified in the schedule to these rules at the rates noted against each (the items of the schedule and the rates to be specified by the Municipal Council concerned).

2. The Octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in charge of the octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the Importer of goods imported within the octroi limits the Mutsaddi in charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer, for the settlement of the duty to be paid.

3 When the goods have been examined at the octroi Ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the Importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon; provided that, if the duty to which the goods are liable does not exceed five rupees the Octroi Mutsaddi, may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received; provided also that in the case of goods imported by railway, the Inspector or other officer-in-charge of the Octroi post at the Railway Station may, in the same manner, receive duty not exceeding five rupees.

4. When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the officer in charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the officer in charge of the Central Octroi Office for the removal of the goods showing the quantity of weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the

office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5. With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce invoice of the goods for the inspection of the officer in charge of the Central Octroi Office. Whenever the invoice produced by an Importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer in charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the officer in charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice, the value shall include all expenses, such as, packing charges, freight charges, cart hire, etc., less trade discount shown in the invoice.

6. With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Central Octroi Office provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid:

Provided that the President at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office.

Every deposit holder under this Bye-law shall submit on or before the 3rd of every month the stock accounts of the previous month for verification of the dutiable articles.

Deposit Room—Central Octroi Office (Bonded Warehouse).

7. The Municipal Council shall provide a Bonded Warehouse in the Central Octroi Office for the custody of goods which may be deposited under Rule 3 of the Octroi Rules.

8. The Bonded Warehouse shall be open for the transaction of business from 11 A.M. to 5 P.M. daily except on Sundays and Holidays authorised by the President. Arrangements shall however be made by the officer in charge of the Octroi Office for dealing with perishable articles such as betel leaves on such days.

9. Any importer depositing goods in the Bonded Warehouse shall, unless the officer in charge of the octroi Office has previously by weighing, counting or appraising ascertained the amount of octroi payable thereon, give a declaration in the form appended (Schedule No. 2) of the description, weight, quantity and, if necessary, of the value of the goods.

10. A receipt in the form appended (Schedule No. 3) shall be given by the officer in charge of the Central Octroi Office for all the goods deposited in the Bonded Warehouse and a Register of all such goods shall be maintained.

11. The receipt given by the Octroi Department for depositing the goods should be returned before taking delivery of the articles to which it refers, otherwise the officer in charge of the Central Octroi office may refuse to deliver the articles.

12. If the depositor does not himself take delivery of the article deposited in the Octroi Office, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and if the receipt is not produced the delivery of the goods may at the discretion of the officer in charge of the Octroi Office be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the Officer in charge of the Octroi Office.

13 Any person who has deposited goods in the bonded warehouse may break bulk or change the packing thereof on application to the Officer in charge of the warehouse or may, on paying full duty thereon, import such goods into the Municipal limits covered by a permit or may export such goods immediately after the receipt into the Octroi Office free covered by an Export Pass subject to the escort of an Octroi subordinate; provided that new packages covered by such pass shall, if possible, before they are taken from the warehouse be stamped by the Officer in charge, so as to show that they are under deposit.

The Export pass shall be in triplicate, the original being retained by the Officer in charge of the Warehouse, and the duplicate and triplicate delivered to the exporter.

14. No goods shall be allowed to leave the warehouse until storage fee has been paid thereon under the following rules:—

(*a*) Goods shall be allowed to remain 24 hours free of charge counted from sunrise to sunrise.

(*b*) After that period single rates as in the following table shall be charged for seven days or portion thereof.

(*d*) The date of admission and removal of goods shall reckon as one day and Sundays and closed holidays shall not be taken into account in reckoning the date from which fees under each class shall be payable. When delay is caused by the inability of the Officer in charge of the deposit room to examine and pass the goods, such delay shall not be reckoned.

15. The President may permit any wholesale dealer to occupy a room in the Bonded warehouse for the storing of dutiable articles intended for sale to retail dealers in the Municipality and may make such rules regarding the occupation of such rooms as may from time to time be found necessary.

16. When goods stored by the wholesale dealer in the Bonded warehouse under the above rule are issued on payment of duty, such allowance may be made on the original weight on account of reduction of weight owing to driage or wastage as may from time to time be fixed by the President.

17. All perishable commodities remaining uncleared or unclaimed after 48 hours shall be sold by public auction to the highest bidder at the warehouse. All other goods remaining uncleared or unclaimed for a longer period than three months shall be sold in like manner provided that, before selling such goods notice of that fact shall be posted for seven days at the Bonded Warehouse and at the Municipal Office and provided that goods shall be sold earlier when the storage fees are likely to exceed their value.

18. When any goods are sold under Rule 17 of the Octroi rules the sale proceeds shall be credited to the Municipal Funds, in payment, of duty and storage fees due in respect thereof, provided that if the amount realised by the sale exceeds the amount so due, the balance shall be kept in deposit for one year and any claims, for such balance received during that time shall be duly considered by the President. At the expiry of one year, or after all claims received during that period have been duly disposed off, the balance shall be credited to the Municipal Funds. No claims shall be admitted after the said period of one year, except by special permission of the Council.

19. The Municipal Council shall not be responsible for any damage that may be caused to goods deposited in the deposit room while such goods are being passed into or out of the deposit room or while they remain therein unless such damage is proved to have been caused by the wilful neglect of the deposit room keeper or other person charged with the safe custody of the goods.

Draft rules framed by the Municipal Council, Shikaripur, for the levy and recovery of octroi under section 61 (b) (iv) of the Mysore Town Municipalities Act of 1951.

Octroi shall be levied in respect of animals or goods or both specified in the I schedule to these rules at the rates noted against each (in the schedule appended herewith.)

2 The Octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in-charge of the Octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits, the Mutsaddi in-charge of the Ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer, for the settlement of the duty to be paid.

3 When the goods have been examined at the octori Ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon: provided that, if the duty to which the goods are liable does not exceed five rupees, the Octroi Mutsaddi may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received.

4 When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the officer-in-charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above, a permit shall be granted by the officer-in-charge of the Central Octroi Office for the removal of the goods showing the quantity or weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5 With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the Central Octroi Office. Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of octroi duty. Should the importer fail or refuse to produce the invoice or if the invoice or the declaration produced appears to the officer-in-charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the officer-in-charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation:—When the appraisement of the value of goods is made on the basis of the invoice, the value shall include all expenses such as packing charges, freight charges, cart hire, etc., less trade discount shown in the invoice.

6 With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of persons resident within the municipality or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Central Octroi Office provided that he makes arrangements satisfactory to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case.

Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid:

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office.

15 The President may premit any wholesale dealer to occupy a room in the Bonded Warehouse for the storing of dutiable articles intended for sale to retail dealers in the Municipality and may make such rules regarding the occupation of such rooms as may from time to time be found necessary.

16 When goods stored by the wholesale dealer in the Bonded Warehouse under the above rule are issued on payment of duty, such allowance may be made on the original weight on account of reduction of weight owing to driage or wastage as may from time to time be fixed by the President.

17 All perishable commodities remaining uncleared or unclaimed after 48 hours shall be sold by public auction to the highest bidder at the warehouse. All other goods remaining uncleared or unclaimed for a longer period than three months shall be sold in like manner, provided that, before selling such goods notice of that fact shall be posted for seven days at the Bonded Warehouse and at the Municipal Office and provided that goods shall be sold earlier when the storage fees are likely to exceed their value.

In case the importer wishes to re-export the goods at once he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5. With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the Central Octroi Office. Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon; provided that if the duty to which the goods are liable does not exceed five rupees, the Octroi Mutsaddi, may receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received; provided also that in the case of goods imported by Railway, the Inspector or other Officer in charge of the Octroi Post at the Railway Station may in the same manner receive duty not exceeding five rupees.

Upon ascertainment of the amount of octroi payable on thegoods the importer shall either pay the amount due and receive permit for the removal of goods or shall deposit the same inthe Octroi Office. When the duty is paid as above, a permit shall be granted by the Officer in charge of the Central Octroi Office for the removal of the goods showing the quantity or weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the Octroi Post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a Free Export Pass subjecting the goods to the escort of an Octroi subordinate.

5. With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the Officer incharge of the Central Octroi Office. Whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article, for clearance of Octroi Duty. Explanation.—When the appraisement of the value of the goods is made on the basis of the invoice, the value shall include all expenses such as packing charges, freight charges, cart-hire, etc., less Trade Discount shown in the Invoice.
